

Child of Tomorrow

Child of tomorrow, look now and see,
This world awaits you and all that you'll be.
Yours are the heavens and yours are the seas,
Child of tomorrow, go forth and follow your dream.

Child of tomorrow, soon you will go,
Knowledge and wisdom are yours to behold.
Yours are the heavens and all things below.
Child of tomorrow, find your dreams wherever you go.

Walk boldly and humbly wherever you go.
Stand proudly and honour the truth that you know.
Follow where your heart leads and there you must go,
Always rememb'ring the path that leads you home.

Child of tomorrow, look now and see (that)
This world awaits you and all that you'll be.
Yours are the heavens and yours are the seas
Child of tomorrow, go forth and follow your dream...
Go forth
And follow
Your dream!

The Man in the Moon

If I were the man in the moon so high,
Sailing along thro' the starry sky,
I wouldn't care for the winds that blow,
Nor for the clouds that come and go,
I'd sweep them out of my way like snow
If I were the man in the moon.

If I were the man in the moon so round
I'd sail her along with never a sound,
And when she shrank to a crescent small,
I'd have to be careful that I didn't fall.....Out of the moon
Into nothing at all,
If I were the man in the moon.

If I were the man in the moon so white,
I'd sleep all day and sail all night;
I'd pull in the tides and let them go
I'd see the earth, a ball below,
I think I'd be rather lonely though,
If I were the man in the moon.
